Mr. Walter G. Critchlow

Wheaton, Ill.

Dear Sir:

At the request of Mr. Bruno Paladino of Messina, Italy, who states that he desires to receive appointment as your sole representative in Italy, for the Wix Vapor Humidifier and Gas Saver, I am writing to say that he is a member of this Society in good standing, and that all of the transactions that I have had with him have been eminently satisfactory. I do not know him personally and I realize that the information given above is hardly of great value in helping you to decide on his merits. If, however, there is anything further regarding him concerning which you can ask a specific question, I shall be very glad to respond to you. You will, of course, please consider this information as confidential.

Very truly yours,

Secretary.
